

DOMAINE JEANNIN-NALTET

MERCUREY- VIEILLES VIGNES

Story

Benoît Eschard started out as an engineer before he took over the 6th generation family property from his uncle in 2013. The estate was created in 1858 and covers 9 ha of contiguous vineyards exclusively within the Mercurey appellation including 7 ha of Mercurey 1er Cru, including Clos des Grands Voyens, 5 ha as a Monopole. He has been improving on the viticultural practices in order to reach better maturity and explore each plot's potential. With the desire to limit as much as possible the impact of their activity on the environment and its balance.
