

# DOMAINE DE LA PETITE ROCHE

## ROSÉ DE LOIRE

LOIRE

### Story

The Regnard family got its first vines right after the French Revolution in 1791. Today, the estate covers 83 hectares with both Chenin Blanc and Cabernet Franc.

Located in the heart of the Loire Valley, in the middle of the Châteaux de la Loire, Domaine de la Petite Roche enjoys a diversity of terroirs from schists to limestone and sand. This allow the domain to produce a range wines with finesse and character, for any occasion.

### Grape varieties

60% Grolleau, 40% Cabernet Franc

### Terroir

Clay silica and sandy loam soil. Oceanic climate with continental influences.

### Winemaking

Grapes are harvested early in the morning to keep their freshness. 8-hours pre-fermentation skin-maceration. Fermentation at a low temperature in stainless-steel tanks. Aging on the lees for 3-4months. Blend before bottling.

### Tasting notes

Bright fuschia color with purple hues. Flattering and very aromatic nose of peach and red fruits. Generous palate. Long and citrusy finish.

### Pairing suggestions

Great rosé for barbecue or with an exotic cuisine (Créole, Asian, Indian)
