

### Story

Located in the town of Aghione, on the Costa Serena, the Vetriccie estate bought by the Barcelo family in 1966 expresses all the attributes of a premium Corsican wine. It spreads over 120 hectares in the heart of the appellation AOP Vin de Corse. The well-orientated soils are located between sea and mountain. The harmonious blend of international and native varieties on this recognized terroir makes elegant and flavoured wines with strong potential. Daniel Barcelo, the current owner, strengthened by his wine experience in the new world, has resolutely committed himself to a viticulture in harmony with the Corsican nature.
