

DOMAINE NUDANT

ECHEZEUX GRAND CRU

Story

Nudant is a term that refers to wine growers, made popular in the 15th century. Today, Jean René and now Guillaume, his son, produce Chardonnay and Pinot Noir across 16 hectares between the Côte de Beaune and the Côte de Nuits, in 20 renowned appellations. Using single variety and single terroir, Nudant produces village level to 1er and Grand Crus, respecting both the quality of the wine as well as the preservation of biodiversity in the vineyard.

Tasting notes

This wine is fleshy and has a very good persistence, with aromatic notes of cherries and undergrowth. Built on a long and full-bodied structure, with present but not aggressive tannins. These assets will allow a long ageing in cellar.
