

DOMAINE NUDANT

LADOIX 1^{ER} CRU – LA CORVÉE

BURGUNDY

Story

Nudant is a term that refers to wine growers, made popular in the 15th century. Today, Jean René and now Guillaume, his son, produce Chardonnay and Pinot Noir across 16 hectares between the Côte de Beaune and the Côte de Nuits, in 20 renowned appellations. Using single variety and single terroir, Nudant produces village level to 1er and Grand Crus, respecting both the quality of the wine as well as the preservation of biodiversity in the vineyard.
