DOMAINE JACOURETTE

CÔTES DE PROVENCE – CRU SAINTE VICTOIRE

PROVENCE

Story

The Dragon Family has been working in the wine industry for 4 generations, starting with Germain, who used to sell his wines from the back of his truck. In 1997, Hélène Dragon took over the 25 ha-vineyard, located at the foot of the Sainte-Victoire mountain, near Aix-en-Provence, on one of the most natural terroirs in France. The Mistral wind that blows constantly protects the vines from insects & diseases, and the well-drained soil gives the vines a higher quality.
Côtes de Provence Saint-Victoire officially became the first recognized Cru within Côtes de Provence appellation early 2025

Farming philosophy : Sustainable / HVE 3 (High Environmental Value) since 2019

**Trivia: The Sainte Victoire mountain has been painted 80 times by Paul Cézanne.
